An easy-to-use service!

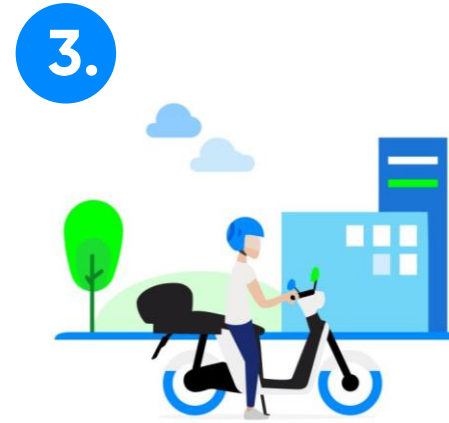

Book

Book the vehicle you want from the App. You have 15 minutes free to get there.

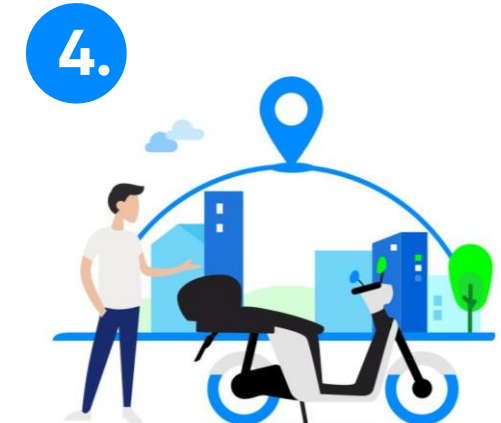

Unlock your vehicle

Swipe to "START" in the app and unlock the vehicle.

¿Ready?

When you're ready, take the scooter off the stand and press the "START" button and ... start riding!

End the trip

Remember to park the vehicle in a place that respects the regulations of your city and is within the Cooltra zone.

Welcome to

From now on, ECOOLTRA is the new CORPORATE transport.

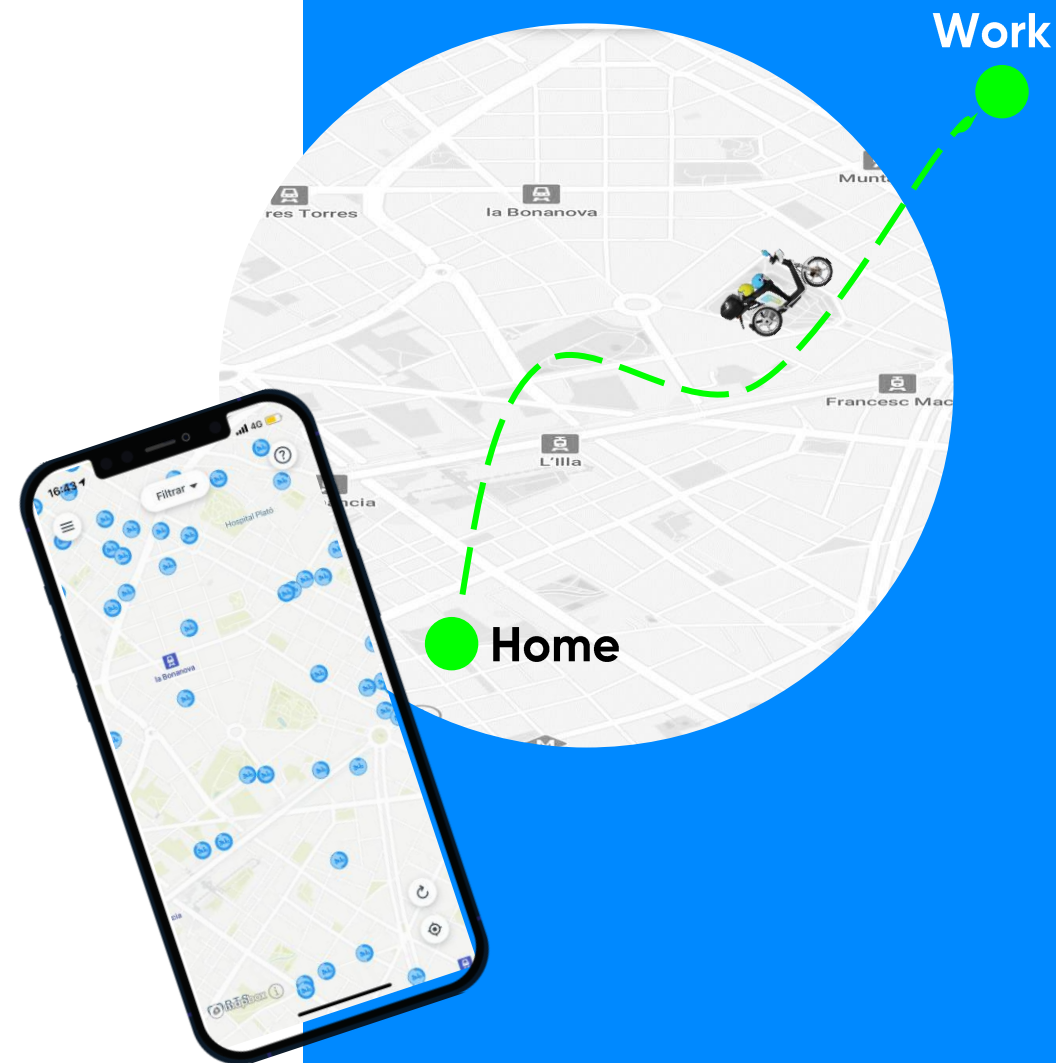

- + Flat rates for companies
- + Monthly subscriptions from 11€ month/employee
- + Including 20 or 40 min daily for free
- + Simple, centralised invoicing with no surprises
- + B2B product, only available for companies
- + Flexible, cancel whenever you want

Barcelona

Barcelona, Madrid, Valencia, Lisboa, Milán, Roma, Paris

Rates – Cooltra for Employees

Choose the tariff that suits you best! River or Ocean?

River

Ocean

The employee receives:

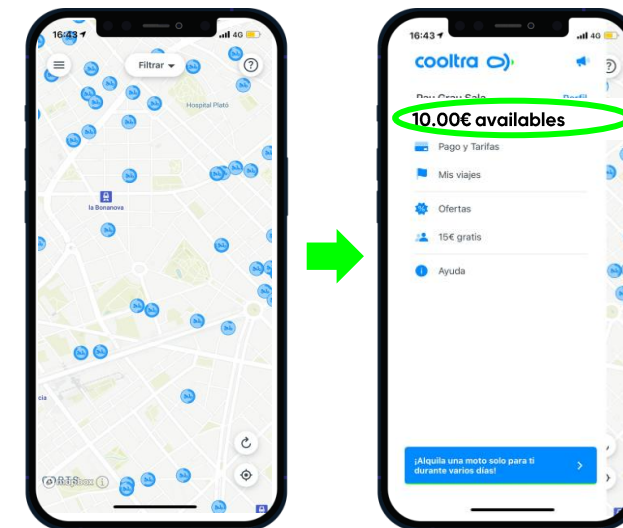

5€ per day in your wallet
17 min a day of mobility!

10€ per day in your wallet
32 min a day of mobility!

The company pays:

20€ /month/employee

32€ /month/employee

- The credit will be recharged every day in your Wallet in the App (see picture above right).
- At 23:59 the remaining credit disappears and at 00:00 it is recharged again. It is not cumulative.
- If the employee consumes more than the credit of your tariff, it will be charged from the card he/she has used.
- The company is exempt from liability as the T&C is signed by the employee with Cooltra.
- In order to be able to locate your employees, a corporate email address is required.

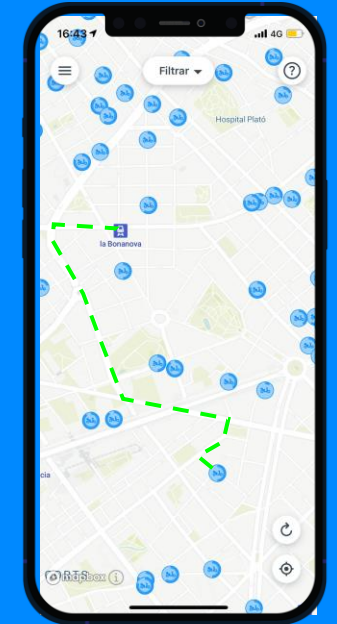

Prices excl. VAT
Spain: 5€ = 17 minutes // 10€ = 35 minutes
Italy: 5€ = 17 minutes // 10€ = 35 minutes
Portugal: 5€ = 23 minutes // 10€ = 46 minutes

Service process

Do you want to join the most flexible and sustainable mobility for companies?

- + Let us know which employees join our service.
- + Employees must enter their corporate email in the Cooltra APP.
- + Cooltra will activate the tariff once we have all the workers.
- + A launch day is agreed.
- + From the 25th to the 30th of each month, new registrations and cancellations in the service will be informed.
- + From the 1st to the 5th of each month, Cooltra issues the invoice to the company

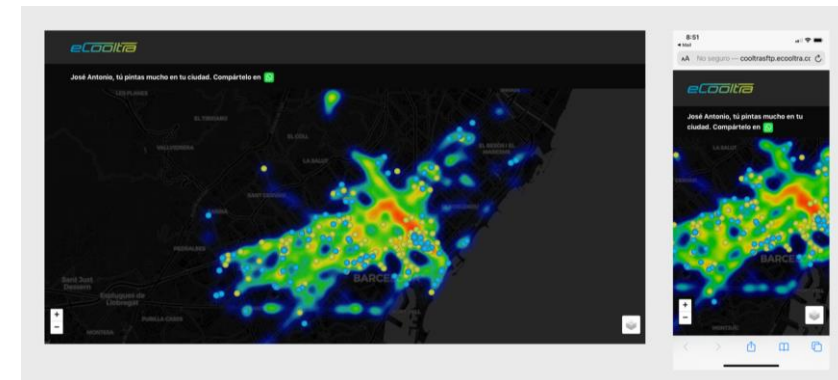

Report- Improve your sustainability

GOAL: improve your sustainable impact and increase your Corporate Social Responsibility complying with the laws which enforce the **CARBON FOOD PRINT REDUCTION**.

- Justify your sustainability expenses and reduce the CO2 emissions.
- Ecootra will send periodic reports (daily, monthly, quarterly or annually).

- + Reduce CO2 calculation.
- + Number of ridden KM's.
- + Number of trips/day.
- + Number of signed up users.
- + Heat maps showing most frequented areas.

All data will be shared anonymously and aggregated.

Hygiene and safety measures

Safety and hygiene is the most important thing for us and for our users. We are applying solutions on a daily basis in order to offer the best experience.

 Hygiene and safety measures in our swappers team

 Reinforced hygiene in sensitive areas:

- Grips
- Seats
- Rear-view mirrors
- Box

 Helmets disinfected inside and outside

 Hairnets and wipes

We recommend the personal use of motorcycle equipment. Together with our partner Outlet Moto, we want to offer the best deal with discounts on helmets and gloves for all our users.

Thank you.
